Who are we?

We are a small, certified Organic, family farm that works hard to produce delicious food for your family. Our beautiful farm sits in the hills of central Maine and for over a decade we have been growing fresh, Organic vegetables. We love to farm and we think you will be able to tell when you come to get your food!

How Does It Work?

We are not your typical green beans and beet greens CSA: pre-pay for produce now, and take home fresh veggies from our market stand all season long. We'll deduct what you buy from your balance and keep track of everything, even emailing you automatic balance statements. **It couldn't be easier!**

We are at these markets every week:

Orono: Saturday 8-12

Bangor: Sunday 11-2

How Much Does It Cost?

Shares start at \$100. Buy a share over \$200 and we will increase it by 5% - for free! Over \$500 gets a 10% bonus and over \$1000 gets 15%! These rates apply to shares paid by cash or check. Shares paid by credit or debit cards get 2%, 7%, and 12%, resp.
